**Nominations for 2019 CSCCa Board of Directors Election**

There are five Board positions to be voted upon at this year’s national conference. Four of these positions are currently held by Joey Batson, Clemson University, Mickey Marotti, Ohio State University, Chris Doyle, University of Iowa and Stacey Torman, University of Alabama Birmingham, who are all up for re-election. The fifth position is currently held by Sandy Abney and is a guaranteed position for a female strength and conditioning coach. At the 2017 CSCCa National Conference, Abney was elected to complete the remainder of the term in the position previously held by Coach Kevin Yoxall and was re-elected to the position last year at the 2018 CSCCa National Conference. Only female nominees will be considered for this position. If you would like to nominate individuals to serve as a member of the Board of Directors, the Board will review those recommendations. All individuals considered for nomination must be **Master Strength and Conditioning Coaches** who: are current on annual membership dues; are actively practicing, full-time strength and conditioning coaches on the collegiate or professional level; regularly attend the annual national conference; and are actively supportive of the CSCCa and its mission. [Please see the list of potentially eligible Master Strength and Conditioning Coaches by their Year of Induction \(Classes\).](#)
